May 8, 1933

The Executive Committee of N. J. Urban League met on the above date at 58 W. Market St. Present: Mr. Bannwart, Mr. Beckett, Mrs. Bell, Dr. Bell, Mrs. Darden, Dr. Dawkins, Miss Shepard, Mrs. Wright, Mr. Hudspeth, Rev. Ellerson, Mr. Powell, Mrs. Reed, Miss Shepard and Dr. Wolfe.

The President brought to the attention of the Board the fact that for the months of May, June, July and August the agencies in the Community Chest would receive but 50% of the apportionment allotted to them during the first four months of 1933. How could the Urban League meet this situation?

After a lengthy discussion, during which several valuable suggestions were made, a motion was made by Dr. Bell, seconded by Rev. Ellerson that the chair appoint a committee of 5 to make some recommendation after further information from the Welfare Federation.

At Mr. Puryear's suggestion that it might be better if a committee could see the Welfare Federation Committee before their decision, a motion was made by Miss Shepard, seconded by Mr. Powell that the chair appoint a committee of

three to work out something to present to Mr. Roger's committee which was meeting the same evening. Those appointed were Mr. Bannwart, Rev. Ellerson, Mrs. Janifer. At Dr. Bell's suggestion that the committee of five consist of the three already named with the addition of two others, the chair appointed Dr. Bell and Dr. Dawkins.

There being no further business, the meeting was adjourned.

Mr. A. H. Ormond, President

U. M. Janifer, Secretary
